

## World-Class Fishing

The historic McDougall Lodge provides a cozy backwoods environment with first class fishing. The lodge is a place where you and your friends can kick back and relax after a day of fishing on Lake Creek. All guests have access to wireless internet, pool table and fly tying station. McDougall Lodge offers 2 big

screen televisions with satellite service. Each guest can take advantage of our third story observatory. This is a perfect place for reading your favorite book or viewing our epic surroundings. On a clear day, the observatory is a great place to view Mt. McKinley. Come enjoy a hearty Alaskan meal in our new dining hall. It's a great place to share the day's events with fellow anglers.

Where you can experience world-class fishing for all five species of Pacific Salmon, native Rainbow Trout and Northern Pike. Your private Alaskan fishing guide, will consistently put you in position to land that trophy fish of a lifetime. 60 + lb. King Salmon, 15 + lb. Silver Salmon, and 8+ lb. Rainbow Trout are all well within reach on Lake Creek, one of the top rivers in all of Alaska.
